The spare parcel label

Try this small standalone puzzle to see the style. It is NOT one of the eight main-game puzzles and does not reveal their code.

Four sample parcels are waiting. Choose the ONE parcel that is not fragile, weighs exactly 600 g, and is due before 17:00. All three rules must match. 1 kg = 1,000 g. What is its letter?

Parcel	Weight	Fragile?	Due
A	600 g	Yes	16:30
B	0.6 kg	No	16:45
C	600 g	No	17:00
D	650 g	No	16:20

Your answer: _____

An easier taster of a larger cooperative adventure. Full game: eight puzzles, seven department digits and one final delivery code. Suggested 2-6 players; ages 10+ with adults. Planning estimate 30-45 minutes.

Sample answer - read after trying

B. It weighs 600 g, is not fragile and is due at 16:45, which is before 17:00. A is fragile; C is due exactly at 17:00; D weighs 650 g.
