Workshop rescue map

PLAYER PAGE • A mission guide, not a hiding-place map

Visit all eight stations. Work through 1-7 in any order, then complete the final flight check.

1 Parcel power

Digit: ____

2 The coded message

Digit: ____

3 Workshop delivery route

Digit: ____

4 Who runs which station?

Digit: ____

5 The clock tower

Digit: ____

6 Ribbon machine

Digit: ____

7 The backwards label

Digit: ____

8 Final flight check

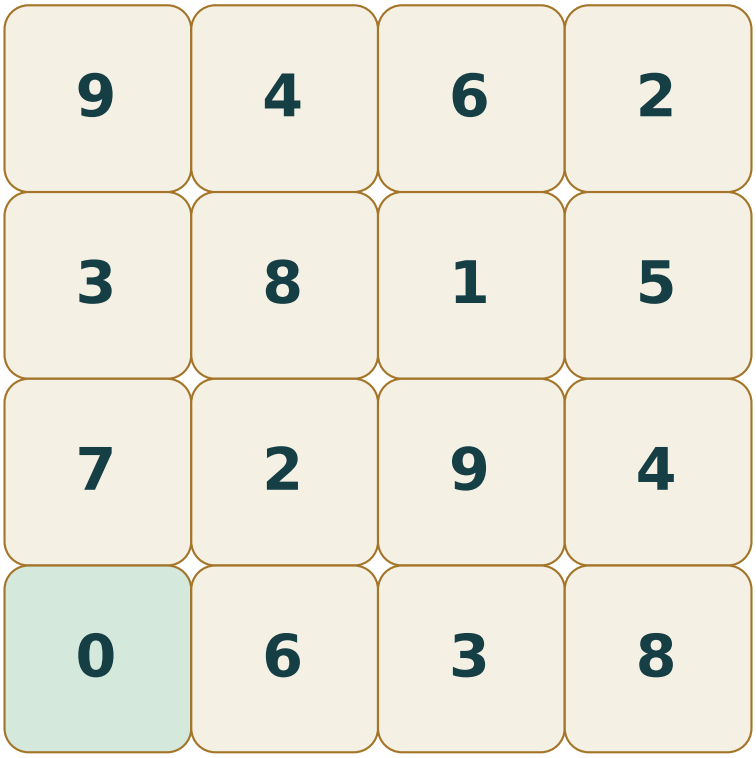

Digit: ____

03 • Workshop delivery route

PLAYER PUZZLE • Record ONE digit in the matching mission-log box

Start at the bottom-left square. Follow the moves in order. One step means one square. Write the digit in the square where you finish.

START = bottom-left square (0)

RIGHT 2 → UP 2 → LEFT 1 → UP 1 → RIGHT 2

My digit for box 3: _____
